EVENT GUIDE
WELCOME TO OUR BACKYARD

BATL, The Backyard Axe Throwing League, was created in our founder, Matt Wilson’s backyard in 2006. What began as a personal passion sparked by a camping trip soon spread through word of mouth in Toronto, and today nearly 2 million people have experienced the thrill of throwing axes at one of BATL’s indoor venues.

In the past 13 years BATL has been covered extensively by local, regional and international press; growing from our backyard roots to operating across North America.

We’re immensely proud to have been the first organization in the world to offer an urban venue to experience the thrill of indoor axe throwing in leagues, walk-ins and events such as parties and team building.
